

The Supplier Support Committee

Mentoring Program

Dedicated to assisting Suppliers who are either new to the process and/or those needing assistance with navigating through the Nadcap system by providing names and contact information of experienced Nadcap Suppliers.

The Role of a Supplier Mentor

To provide basic information on the Nadcap program and reference appropriate contacts within PRI to obtain answers to technical questions or assistance in other areas. "My mentor is an asset for me and the company. I am currently working with him and will continue to work with him long term."

Kristen Rubio, Seaway Plastics Engineering LLC

Interested in obtaining a Supplier Mentor?

"The mentor always provides many good and proper suggestions to prepare for Nadcap accreditation."

Mark Levin, Esterline

Please complete the Supplier Support Committee Mentoring Request Form on the next page or email NadcapSSC@p-r-i.org to request and/or submit the completed form for mentor review and assignment, or to contact us if you have questions.

For technical questions, please contact the appropriate Staff Engineer

The PRI Staff Directory can be found at www.eAuditNet.com by clicking on the "Contact Us" link at the top right-hand corner of the page.

Examples of when you should contact the Staff Engineer:

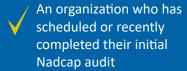

- Commodity checklist clarifications / expectations
- Clarification on what the Staff Engineer is asking on NCR responses*
- Questions on Task Group operations
- Questions on how to file an appeal

*Please note that staff will not tell you the answer, but provide direction in terms of expectation

Who needs a Supplier Mentor?

The Supplier Support Committee Mentoring Program's purpose is to establish a Supplier driven program designed to provide fellow Suppliers basic information on the Nadcap program and process, with a focus to continue spreading the word across the global Supplier base on the mentoring program's existence and benefits while growing the number of mentorships.

"The Mentoring Program has been a positive experience for both Mentees and Mentors! We have grown the program, providing support and leadership to more Suppliers than ever. We look forward to continuing to help our fellow Suppliers learn and navigate the

Nadcap process successfully."

Become a Mentor

Are you interested in sharing your experience with the Nadcap program with other companies that may be looking for general guidance? Mentors do not provide any technical advice - they are not consultants. They are volunteers who support companies or individuals that may be new to Nadcap to find the information they need, navigate eAuditNet efficiently, and understand when to contact PRI staff engineers for advice.

To register your interest in becoming a mentor, please complete the form below and return it to NadcapSSC@p-r-i.org, or contact us using the same email address if you have any questions.
